Sir:—The city Council voted an increase of the police force. Thereupon the City Sergeant nominated to the Fire and Police Board four ultra-Democrats as policemen. The Board did not see fit to approve the list and send it in for confirmation to Council, whereupon the Register has daily attacked Council as opposing the increase of the number of police.

Council voted the increase. It is well known that the police on election days are the most the remarks and folice where the most of police.

The public funds are not to be properly devoted to one purpose. Out of the income of the city for this year \$107,000 have been set apart for the streets, nearly all for repairing.
